

THIS IS AN IMPORTANT MESSAGE FROM NEW JERSEY AMERICAN WATER:

New Jersey American Water will be making main and service improvements in Bradley Beach. Weather Permitting, the project will start on Friday, February 21, 2020 beginning at 7:30 am and be completed by approximately 5 pm on Tuesday, March 31, 2020. As a result of these repairs customers on the following streets: 3rd Avenue (from Madison Avenue to Ocean Avenue); Beach Avenue (from Evergreen Avenue to 3rd Avenue); and Hammond Avenue (from Evergreen Avenue to 3rd Avenue) may experience NO WATER, LOW PRESSURE, DISCOLORED WATER

Repairs are expected to take 9 ½ hours before water service is back to normal. When service is restored, customers may experience cloudy and or discolored water. If your water is discolored, run the cold water only at the lowest level of the house for about 3 to 5 minutes so that it clears before using. Repeat this flushing step once or twice within an hour as necessary until the water clears. For more information, log on to our website at www.newjerseyamwater.com, and select Alert Notifications. We apologize for any inconvenience and thank you for your patience while repairs are being made.
